Moving Body & Mind

2012 – It's time to perform!

Following a fantastic year in 2011, we are ready to jump into rehearsals with a focus on our first performance in May. We extend a warm New Year welcome to all families associated with the Australian Youth Dance Theatre in 2012.

Thankyou to **all dancers** who participated in our programmes in 2011 including:

- The Autumn and end of year Gala Concerts
- Performing Arts School
- Australia Day celebrations
- Community performances

Your contributions have ensured the ongoing success of the Australian Youth Dance Theatre.

To those who have expressed an interest in the Dance theatre, there are still **positions available** in what promises to be a challenging, exciting and rewarding year.

To our **new dancers** we hope your newfound pursuit in dance will be an enriching experience both artistically and personally.

2012 promises to continue our tradition in exciting dance education and performance.

For those families who registered interest, or have become new members, we welcome your support in 2012 and wish you all the best for a successful year.

Our programme in 2012 promises you the opportunity to:

- learn fantastic new dances
- perform at two fabulous concerts
- stay fit
- meet new like minded friends

Get those dancing shoes on and be ready to meet the rest of your team at rehearsals.
